

## ADDENDUM TO THE FINAL STATEMENT OF REASONS

Section 90-200 (Reference Citation)

The reference citation for Section 90-200 is being corrected to remove reference to Sections 11135 through 11139.5 of the Welfare and Institutions Code because these sections are nonexistent. Therefore, this nonsubstantive change is necessary for clarity and consistency.

Section 90-205(l)(1)

This section is being amended to remove the reference to Section 1440 of the Probate Code and the reference to Section 366.25(e) of the Welfare and Institutions Code. Section 366.25(e) of the Welfare and Institutions Code has been repealed and Section 1440 of the Probate Code is not a relevant reference, therefore, these references need to be removed for clarity and consistency.

Section 90-215.231

CDSS is incorporating by reference, pursuant to the California Code of Regulations, Title 1, Chapter 1, Section 20, the STEP 2 – Referral, Transmittal, and Communication Form (Step 2, Revision 7/02). This form is not printed in the CDSS Manual of Policies and Procedures because it would be cumbersome and impractical. However, this form is available from the Department at (916) 657-2586.

STEP 2 (Rev. 7/02) and STEP 8 (Rev. 8/02)

These forms were inadvertently omitted from the rulemaking file submitted to the Office of Administrative Law (OAL) but were attached to the regulations filed with OAL. Both the Initial Statement of Reasons and Final Statement of Reasons explain that the STEP 8 (Rev. 8/02) and the STEP 2 (Rev. 4/02) were and are available from the Department at (916) 657-2586. Following the public hearing, as stated in the Final Statement of Reasons, the STEP 2 (Rev. 4/02) was revised nonsubstantively to add a Privacy Statement to the form, STEP 2 (Rev. 7/02). The STEP 2 (Rev. 7/02) was and is available to the public from the Department at (916) 657-2586. However, the Department inadvertently omitted the language found above for Section 90-215.231 in the Final Statement of Reasons regarding the STEP 2 (Rev. 7/02).
